

The South Rapid Response (SRR) Team

The function of the South Rapid Response Team is replicated across North Oxfordshire and Oxford City.

The team consists of a team manager, five practice supervisors (three social workers and two occupational therapists by professional background). When fully staffed we have eight social workers, six occupational therapists and 10.5 coordinators.

South Oxfordshire has a mixed landscape of both urban and rural areas offering up their own unique challenges. It is a large area to cover touching on the Reading borders to the South, the Swindon borders to the West and the Aylesbury to the South East.

We work with adults 18 and over with a range of both physical and mental health needs. Older adults 65 upwards make up about a third of our overall casework, but we also work with younger adults with a variety of issues regarding long term physical conditions and social and economic challenges.

We are based in one large open plan office on the 1st floor accessed by either stairs or lift. We share our office space with our colleagues from the long-term team and Money Management. This has proved to be invaluable, working as one big South team.

The atmosphere is very welcoming and friendly. We also have access to a number of other teams in Abbey House including the finance, transport, safeguarding, shared lives, sensory impairment, older adult's mental health, DOL's and AMHP teams. Childrens services are all permanently based here too and this is a unique combination creates an interesting and welcoming office base.

Abbey House, Abbey Close, Abingdon, OX14 3JE

Local information:

- There are a number of car parks located nearby, some with free two-hour time slots. A limited number of parking permits may be available for a short period while you find parking arrangements that suit you best.
- The office is easily accessible by public transport, with buses every 15 minutes.
- Only a two-minute walk from the city centre, there are a variety of shops, banks, leisure centre with a swimming pool and restaurants all within walking distance.
- We are placed next to Abbey garden – with beautiful grounds for a lunchtime walk.

We hope this gives you a bit more information about the South Rapid Response Team, and if you have any further questions please do not hesitate to contact Julie Smith on 07711117422.
