Match + one

You can encourage child’s language development by using ‘match + one’

Here’s how to do it:

If your child says ‘cat’, match what they say and + one more word.

e.g. ‘cat gone’

If your child says ‘mummy car’, match what they say and + one more word

e.g. ‘mummy’s driving car’
or ‘mummy’s blue car’
or ‘mummy’s dirty car’

If your child says ‘truck go fast’, match what they say and + one more word

e.g. ‘big truck go fast’
or ‘red truck go fast’
