

2018/19 Councillor Priority Fund Guidance Notes

April 2018

Background

In February 2018, Council agreed to set aside £945,000 in 2018/19 and 2019/20 for a Councillor Priority Fund.

Further details about the council's decision are available [here](#).

This is part of our commitment to supporting local communities across Oxfordshire, building on last year's Communities Fund and the successes and lessons learnt of administering that fund.

Our Approach

The purpose of this Councillor Priority Fund is to support councillor priorities in their areas. It is for each councillor to decide how their allocation should be spent; with each area of Oxfordshire being different it's important that county councillors have the flexibility to allocate the money in the best way.

You should discuss your proposal at an early stage with your county councillor and seek their support for your proposal.

You can use the postcode search on www.writetothem.com to find your local councillor. Further information about contacting your local councillor is available on the Council's [website](#).

If your project impacts a wider area, you can put through a joint bid supported by multiple councillors.

Please read carefully the guidance notes below to make sure your organisation and project meet the grant scheme's eligibility criteria.

We may ask you to physically sign application forms for amounts below £5,000 if awarded a grant as we cannot accept typed signatures.

Submit your application

If your local councillor(s) decides to support your application, they will sign the last page of the application form and send it to Diane Cameron, Policy Team at the Council.

The deadline for submission of applications is 31 January 2020. Funding is awarded on a rolling basis, so early applications are strongly encouraged.

Next Steps

We will assess your application within 28 days to make sure your project proposal meets the scheme's requirements and contact you if we require further information about the proposal.

Incomplete applications lead to delays in processing the funding request, so please make sure to include all requested information in your application form.

Awarding Grant

If your funding request is successful, we will notify you by email. Unsuccessful applicants will be offered feedback on their proposal and, where possible, we will work with organisations to help them identify alternative funding opportunities.

If your funding request is for £5,000 or more we will need to have a funding agreement in place before any payment can be awarded.

If your funding request is under £5,000 we will need to have a signed funding application and you will be contacted for this.

Monitoring

Successful applicants are expected to comply fully with any monitoring requests from the Council and must agree to this when signing the funding request form.

All successful applicants need to be prepared for a review of their project.

This may include:

- Receipts recording how the money was spent
- Reports on the activity funded
- Feedback from individuals impacted
- Any other record of the activity funded (e.g. promotional flyers and posters)

Successful applicants will be strongly encouraged to keep us informed about the progress of their projects. Any setbacks to the implementation of the projects

should be reported to the Policy Team. Delivery of the projects will be monitored as per milestones identified in the business case/ project proposal.

Any unspent grant funding will be recovered by the county council.
