Approximately 1.4 miles (2.2 km)

TL= Turn Left FL = Fork Left BL = Bear Left
TR = Turn Right FR = Fork Right BR = Bear Right

1 At the gravel farm access track **TR** for a short distance, then left on to a track. Follow the left hedge line straight on. Before reaching the far end of the field, go through the hedge gap and follow the right-hand hedge line straight on to a footbridge. Cross the bridge and use the path which runs through the small copse to a stile.

2 Once over the stile, cross the Bicester/Oxford railway line, taking extreme care of oncoming trains,. **TR** for about 30m to a ramp on your left going down the other side of the railway embankment to a stile. Cut off the right corner of the next field to a footbridge and stile.

3 Go straight across the field to footbridge and continue straight on through the next field to another bridge. **TL** through a gate and head diagonally left, following the fence to the field corner. Then **BR** along the path to the right of the fence and through a gate into North Street, Islip.
