Woodstock Town Council at their meeting of Tuesday 14th March 2017 reaffirmed their previous comment and agreed the following recommendations:

(a) Explore the possibility of the Cotswold Line being used for transportation of sand and gravel extraction.
(b) Ask OCC to use every measure possible to reduce the number of trips to Slape Hill waste transfer station.
(c) Support policy MS(j) keeping extraction sites away from Blenheim Park
(d) Woodstock Town Council is against Fracking
