Subject: Minerals & waste local plan update Clanfield & Bampton area

Dear Mr Day

I have read and agree with Oxford County Council plan that Clanfield & Bampton area be excluded from mineral excavation within the time limit of the plan We must preserve as much of this area for the future generations to enjoy as we have in its natural state

Yours Sincerely

Steve Dickson

Resident and former Vice Chairman of Black Bourton Parish Council. (10 years)
and former Chairman of Black Bourton Residents Association (15years)
