Dear Mr Day

**Re: Oxfordshire Minerals & Waste Core Strategy – Consultation on Additional Documents**

Thank you for consulting Cherwell District Council on Oxfordshire Minerals & Waste Core Strategy – Additional Documents (letter dated 29 April 2016).

It is understood that these documents do not amend the submitted Core Strategy but only provide additional documents and updated information to inform its examination.

Following a review of these documents the only officer response is as follows:

**Preliminary Assessment of Minerals Site Options, April 2016**

Site SS-06 Duns Tew Quarry North Extension

There is a discrepancy between the table (Appendix 2) and the text in Section 3.2. The table classifies this site as 'RED' however, the text assesses the site as 'AMBER'

I trust that these comments are of assistance.

Thank you for consulting this Council.

Yours sincerely

Christina Cherry  
Planning Officer
