2(d) Please give details of why you consider the Oxfordshire Minerals and Waste Local Plan Core Strategy is not legally compliant or is unsound. Please be as precise as possible.

If you agree that the Oxfordshire Minerals and Waste Local Plan Core Strategy is legally compliant and/or sound and wish to support this, please also use this box to set out your comments.

OBJECTION

The strategy has indicated that site SS-04 Land at Pinewoods Road Kingston Bagpuize has been allocated for soft sand extraction. The appendix indicates that local environment impact has still to be investigated. This is incorrect. Two planning applications have clearly shown that the environmental impact has been established as being too great for the locality.

A safe and unsustainable access arrangement has not been demonstrated. The disturbance (noise and dust) has not been justified on the local settlements of Longworth and Kingston Bagpuize with Southmoor.

You should say why this change will make the Core Strategy legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text.
Please be as precise as possible.**
