Subject: Revised draft gravel extraction plan

1. Dear sir or madam

2.

3. As a Cholsey resident I would like to object to the proposed plan

4. I have seen the Gardner Representation produced by Gardner Planning on behalf of OXAGE and fully support the points made.

There is a circular argument in OCC's plan which makes it non-compliant with government guidelines (the NPPF): OCC argue that they can leave site allocations until a later stage but at the same time indicate, without any formal supporting evidence, that the preferred area for allocations will be south Oxfordshire. In fact, they are obliged to indicate potential sites and to set out formal evidence as to why each site has been chosen.

Yours faithfully

Dr. J.Tuson
